I went in to get my eyebrows done and I just want to say what an awesome job Lux does! She is very knowledgeable and friendly. During my visit I was asked what my pain level was. I said there is no pain. To me it was like when I get a facial, massage or my hair done, so relaxing! Thanks again Lux for the great experience I definitely will be back! 😊

I've gone to this location for lashes for years and adore everyone who works here! Always a calm vibe & I never leave disappointed & if you're looking to get some microblading done I highly recommend Lux! She is the absolute best and highly knowledgeable

I love this place. I get lashes, massage, botox & lip filler here. It's such a relief to have found great services provides for all the services i need so close to home. I also love that they carry my favorite skincare brand Glymed. I've never had a bad experience here. Everyone's so kind and welcome and so knowledgeable, at this point i probably get services done here twice a month!

Mae and Shana were so friendly and made me feel comfortable. I was going in for my first preventative Botox treatment and a biotin shot and all instructions were clear and I was at ease that I would have great results from them. They listened and answered all my questions clearly. The treatment was quick and almost painless. Clean and beautiful facility. Will be returning

I booked an appointment with Lux to have my eyebrows microbladed. I was a little nervous at first but Lux made me feel comfortable. I thought it would be more painful than it was. I can honestly say it was a pleasant experience and not painful at all! My results are amazing and now I can say I have beautiful brows again! I will definitely be coming back to Lux. Highly recommend her. ★★★★★

Had a joint facial with my sister in law. We both loved the experience and how our skin felt afterward. Kayla and Lux both did a great job and were very friendly and welcoming. Thank you ladies!

I've gotten facials, chemical peels, brow/lash tinting, and lash extension with Lux Leishman and she is absolutely amazing! So knowledgeable about your skin and how to best take care of it. She's very personable and does really quality work. I've had services at other spas but since finding Lux I haven't wanted to go anywhere else.
